GOLF

Europe's only desert golf course, The Indiana, is a spectacular example of man's creativity in harmony with nature; its emerald green fairways are set amongst massive rocky outcrops, arroyos and dry rivers. The contrast of the 'desert springs' and the emerald green fairways with the arid landscape of cactus, rock and flowering desert, is stunning at all times of year. The course is a masterful blend of challenge with playability and offers not just a round of golf but a golfing experience!
